Pro Tips for Industry Day Conversations

- **Bring capability statements** — One page, not a brochure
- **Know their current contracts** — Reference specific project names
- **Ask about pain points** — "What trades are you having trouble finding?"
- **Follow up within 48 hours** — Connect on LinkedIn same day, email Monday
- **Don't pitch at the booth** — Schedule a follow-up call instead

Recommended Saved Searches for A/E/C:

Search Name	Filters
USACE Construction SB	NAICS 236220 + Agency: USACE + Set-Aside: SB

VA Healthcare Construction	VA + NAICS 236220
Sources Sought AEC	Notice Type: Sources Sought only
Competitor Watch	Your competitors’ names as keywords

Pro Tips

- **Separate Sources Sought from Solicitations** — Sources Sought require different responses and timing
- **Set up competitor alerts** — Use competitor names as keywords to see what they’re bidding
- **Include “Design-Build” and “DB”** — These won’t always have NAICS 236220
- **Check daily** — Email alerts can be delayed; check SAM.gov directly each morning

4 How to Track Recompetes on USASpending

1 Go to USASpending.gov

Navigate to usaspending.gov and click “Award Search” in the top menu.

2 Filter by NAICS

In the left sidebar, expand “NAICS Code” and enter your codes (236220, 237xxx, 541330).

Select “Contracts” and optionally filter by “IDV” for IDIQ vehicles.

4 Sort by End Date

Click the “Current End Date” column header to sort contracts by expiration date.

5 Export to CSV

Click “Download” to export results. Open in Excel for analysis.

What to Look For:

- Contracts ending in 12-18 months (prime recompete window)
- High-value contracts with single incumbent (vulnerable to competition)
- Contracts with options remaining (may extend, but still worth tracking)
- Multiple task orders to same contractor (relationship opportunity)

Shortcut: Use Our Recompete Tracker

We’ve built a tool that does this automatically. Get expiring contracts filtered by NAICS, agency, and location at **shop.govcongiants.org/recompete**

1	GSA PBS (Civilian)	$210M+	Region 4, Region 9
2	VA CFM (Civilian)	$185M+	VISN 8, VISN 16, VISN 22
